

Dear Parents,

Johnson Grammar School announces the formation of its Parent Teacher Association (2025-26), which is an educational, non – political and non – commercial body. The PTA is to help enrich the school environment and provide the stake holders with the required support. It is devoted to the following aims and objectives:

Objectives

- To advance the education and all-round development of the students by strengthening relationships between teachers, parents and others associated with the School.
- To promote welfare of the school students.
- To create necessary consciousness among the parents as well as stimulate their interest in the education of their children.
- To make for a healthy and sympathetic understanding of the education policies and programs of the school and thus influence to create a suitable environment for implementation of the same.

Note

As a fellow member of the PTA, I would like to take a moment to emphasize the importance of our roles as representatives of our respective grades. While we understand that each of us has a deep personal investment in the success and well-being of our own children, it's crucial to remember that our primary responsibility as PTA members is to advocate for the collective needs and interests of all students within our grade, rather than focusing solely on the needs of our OWN CHILDREN.

When we come together as a PTA, we have the opportunity to make meaningful contributions to the entire school community. By maintaining a broader perspective and considering the needs of all students within our grade, we can work towards implementing positive changes that benefit everyone.

I trust that we share a common commitment to the well-being and educational experience of all students, and I am confident that, as a dedicated PTA representative, you will keep this in mind as we collaborate on important initiatives and decisions.

We look forward to continuing our work together for the betterment of our school community.
