JOHNSON GRAMMAR SCHOOL

ICSE, ISC MALLAPUR

AUGUST 2025

LEVEL - 5

Dear Students,

In today's interconnected world, every step you take has the power to shape not only your own future but also the lives of those around you. Knowledge has never been more accessible, and opportunities have never been more abundant. Yet, what truly sets you apart is not just what you know, but how you choose to apply it. Education is not a race for marks—it is a journey of curiosity, courage, and character.

The challenges of this century demand more than intelligence; they demand wisdom, compassion, and the ability to see beyond yourself. Whether it is leading innovation, protecting our planet, or fostering peace, the world looks to young minds like yours to reimagine what is possible. Remember, leadership is not about titles—it is about taking responsibility, inspiring others, and standing firm in your values even when the path is difficult.

As you move forward, let integrity be your compass, empathy your strength, and perseverance your fuel. Dare to dream big, but never lose sight of the small acts of kindness that bring true meaning to life. The future belongs to those who not only adapt to change but also drive it with vision and humanity.

So, walk ahead with confidence, carry hope in your heart, and light in your spirit. The world is waiting for your ideas, your energy, and your courage to make a lasting difference.

Mrs. Jayasree

HOD Physics Department.

Har Ghar Tiranga Rally - Spirit of Patriotism

As part of the Har Ghar Tiranga – 2025 campaign and the Independence Day celebrations, the NCC Cadets of Johnson Grammar School, along with their trainer, Mr. KNS Rao, participated in a rally near the school premises on 13th August, 2025.

The rally was marked by the cadets' enthusiasm and patriotic fervor, spreading the message of unity and national pride.

Flavours without fire

The students of Grade X at JGS, Mallapur, showcased their talent in a vibrant 'No-Fire Cooking' Presentation as part of the SUPW (Socially Useful Productive Work) project. With no flames, but plenty of flavour, they prepared innovative and nutritious dishes that reflected both creativity and teamwork. The event not only highlighted the importance of healthy eating but also proved that learning can be safe, tasty, exciting, and fun!

Each One Teach One

Under the Community Service Programme, the senior school students of JGS, Mallapur, initiated the noble drive "Each One Teach One." In this initiative, students took up the responsibility of educating our support staff, creating meaningful connections that extend beyond academics. This step fostered empathy, inclusivity, and a sense of shared growth within the school community.

Lessons for life

The students and teachers of Grades X, XI, and XII of Johnson Grammar School attended an inspiring motivational session conducted by Mr. Pradeep and his team at Hari Hara Kalabhavan on 21st August, 2025. The programme combined entertainment with learning, featuring a magic show, mimicry, and a memory power demonstration that highlighted techniques to improve concentration and recall. A cyber expert also addressed the gathering, creating awareness about the safe and responsible use of social media. The session proved to be both engaging and educational, leaving a lasting impression on the participants.

Parent Teacher Association Meeting II was held on 2nd August, 2025 at JGS, Mallapur
