PRISMATIC 2025

A Triumph of Scientific Curiosity and Innovation

'Science is not only a discipline of reason but also of Romance and Passion'

—Stephen Hawking

The third edition of Prismatic – The Science Fest transformed Johnson Grammar School into a dazzling showcase of innovation, where young scientists from Grades XI and XII brought theoretical knowledge to life through extraordinary projects. Their remarkable displays in Mathematics, Physics, Chemistry, Biology, Computer Science, and Robotics left judges, parents, and guests in awe of their talent and vision.

My experience in setting up the game stall was both fun and challenging. From decorations to organizing the prizes, it taught me how much effort goes into even simple events. I learned teamwork while coordinating with others and also how to manage small problems on the spot. Overall, it was a memorable experience that combined work, creativity, and enjoyment.

The science fest with our forensic analysis project was an unforgettable experience. As a team member, I felt proud to showcase our work on fingerprint extraction, palm and footprint detection, and poisoning analysis. The excitement of presenting live demonstrations to judges and visitors boosted our confidence. It was inspiring to see our hard work, teamwork, and late-night preparations pay off. This victory has motivated me to learn more about forensics and aim for even bigger achievements in the future.

ASISC COMPETITIONS

Sohan Srivathsa XII C & AVN Murthy XII D have qualified for ASISC quiz competition at the National level which will be held in Gujarat. They stood first at the zonal level and regional level held at Hyderabad on 31st July and 30th August 2025 respectively. All the best for the national round.

Johnson Grammar School, ICSE and ISC, Mallapur, hosted the ASISC Declamation zonal level on 29th July, 2025.

Participants from the top ICSE schools were a part of the Competition. Students mesmerised the audience with their powerful speeches, treading the path of great orators. The student participants displayed a deep understanding & knowledge of the topics picked to declaim.

The event was meticulously planned and executed by our school with the participants expressing their joy of being a part of this prestigious event.

A. Sharanya, XII F and T. Tejanshi, XI G won the First position at the ASISC Debate Competition held at St Joseph's School, King Koti. The judges lauded their oratory skills, analytical approach and flawless presentation. They won the second prize in the regional round held at St. Josheph's School, Mallakpet.

INDEPENDENCE DAY CELEBRATIONS – 2025

Freedom is not a gift; it is the result of endless sacrifice and courage.

With hearts full of pride and the tricolour fluttering high, Johnson Grammar School, Mallapur came alive on the morning of the 79th Independence Day celebrations. This year's celebrations, held under the theme "Naya Bharat", reflected the nation's determination as it makes giant strides towards realising the Government's vision of Viksit Bharat by 2047. From the first note of the School Choir to the final wave of the national flag, the campus echoed with patriotism, unity, and hope for a brighter future.

Mentor: Mrs. Anantha Lakshmi

~Working on this month's newsletter was such a fun and creative experience. What we enjoyed most was seeing our ideas come alive on the final pages. It felt rewarding to create something that represents our school community. Thank you to our mentor, Mrs. Anantha Lakshmi and the school management for this wonderful opportunity. We'd also like to thank every contributor and reader for being a part of this journey.
