LEVEL 6

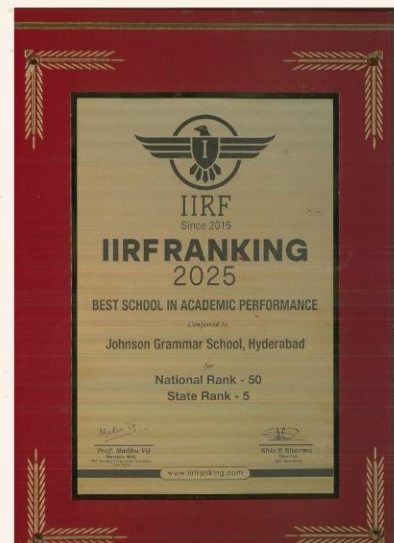

A LEGACY OF EXCELLENCE : AWARDED THE BEST

Congratulations to the JGS Fraternity!

Johnson Grammar School , Mallapur has been ranked No. 4 in Secunderabad and No. 15 in Telangana in the Best Co-Ed Schools category by the prestigious C-Fore Survey 2025.

JGS, Mallapur has been ranked No. 5 in Telangana and No. 50 in India in the IIRF (Indian Institutional Ranking Framework) India School Rankings 2025.

ALUMNI SPOTLIGHT: VISHNU VARDHANA CHARY

Johnson Grammar School, Mallapur, had the privilege of welcoming back one of its distinguished alumni, Mr. Vishnu Vardhana Chary, from the ICSE Batch of 2013.

After completing his Bachelor's degree in IEEE from VBIT, he secured the 5th rank in the state PGECET exam and went on to pursue his M.Tech in Nanotechnology at Amrita University. Today, he is working as a Research Scientist and Marie Curie PhD Fellow, contributing to groundbreaking research with the European Union in the field of next-generation solar cells.

He addressed the students with an inspiring session titled "*Learnings Beyond Mark Sheets: From Backlogs to International Labs*," where he candidly shared his academic and professional journey. He emphasized the importance of perseverance and adaptability, reminding students that setbacks are often stepping stones to greater achievements. Drawing from his own experiences, he encouraged Johnsonites to cultivate curiosity, embrace challenges, and focus on continuous learning beyond the classroom.

The session was organized to present to the current Johnsonites real-life role models who once walked the same corridors. Mr. Chary's remarkable journey stands as a testimony to resilience and passion, reminding students that success is not confined to mark sheets alone.

This inspiring interaction has not only celebrated the success of a proud Johnsonite but will also encourage many more students to dream big, aspire higher, and believe in themselves.

ORIENTATION TO OPPORTUNITIES

An insight on various courses in ISC for the Academic year 2026 -2027 was given to students of class X in an orientation session held on 1st September, 2025. Students were briefed by the Principal about ISC subject choices, new initiatives, activities, and various other events.

BALANCE WITHIN, PEACE AROUND

A SESSION ON EMOTIONAL WELL - BEING FOR TEACHERS

On 2nd of September a workshop on Emotional Well-Being was conducted by the ISC Counsellor, Ms Aparna Soni for the teachers of ISC. Through this session teachers learned techniques for stress management, self-care, and building positive relationships with students and colleagues.

Emotional well-being plays a vital role in leading a healthy and fulfilling life. It influences the way individuals think, feel, and respond to daily experiences, shaping their overall mental health and resilience. Emotional well-being further enhances relationships by fostering empathy, better communication, and stronger social bonds. In academic and professional settings, it improves focus, productivity, and problem-solving abilities, thereby contributing to success and personal growth.

TOGETHER AGAINST NARCOTICS

AN AWARENESS SESSION ON ANTI- NARCOTICS

An Anti Drugs Awareness session was conducted on Monday 15th September 2025 for the JGS Mallapur staff members by the Telangana Anti-Narcotics Bureau.

The SP - Sri P Seetaram, DSP - Sri K Saidulu and CI - Sri P Srinivas visited the school to conduct the interactive and informative session.

The training not only helped teachers understand the societal circumstances that students can be vulnerable to, but also the various mental and physical stress and pressure that students undergo due to which students are easy targets for drug abuse.

TEACHERS' DAY DELIGHT

TEACHING IS NOT JUST A PROFESSION BUT A NOBLE SERVICE THAT SHAPES YOUNG MINDS AND BUILDS THE FUTURE OF SOCIETY.

Teachers' Day was celebrated with great enthusiasm on 8th September this year, as 5th September was a holiday on account of Milad-ul-Nabi. The cellar auditorium of the school came alive with warmth, respect, and celebration. The programme began with the Principal extending heartfelt wishes to all the teachers. She conveyed the greetings of our Administrator Sir, making the occasion even more special.

As a mark of respect and recognition, teachers whose students secured a perfect 100% in the 2024-25 ISC and ICSE Board exams were honoured with appreciation certificates. This moment was a true tribute to the hard work and dedication of teachers who constantly guide, mentor, and inspire their students to achieve not only success but excellence.

The celebration was not just about formalities but also about fun and togetherness. Teachers showcased their hidden talents by singing and dancing, filling the auditorium with joy and laughter. The school management organized a mouthwatering 'Chaat party', which added flavour to the festivities and gave everyone a chance to relax and bond over delicious hot jalebis.

Due to scheduled Term Examinations, the celebrations were continued on 19th September. Many interesting and exciting games were arranged for the staff by PETs, SUPW and ART faculties such as Cricket, Basketball, Balloon race, Tail the Donkey, Musical Chair and Tambola to name a few. The staff thoroughly enjoyed the afternoon.

TAKE A SNEAK PEAK!!

MISSION FIRE SAFETY – TRAINING SESSION

To ensure preparedness in times of emergency, a Basic Fire Safety Session was conducted for the teachers and staff of Johnson Grammar School. The session aimed at creating awareness about fire hazards and equipping the staff with essential skills to handle fire-related incidents responsibly.

The training included demonstrations on the use of fire extinguishers, techniques to control small fires, and important safety measures to be followed during an evacuation. Teachers and staff actively participated by practising how to operate extinguishers and manage emergency situations with confidence.

By blending awareness with hands-on practice, the training not only built skills but also strengthened the collective commitment of JGS towards ensuring a safe learning environment.

DECODING LIFE : A DNA EXTRACTION WORKSHOP

A Biology Workshop was conducted on August 30th 2025 for Class 11 and 12 students, focusing on the Human Genome Project, practical DNA extraction, and the future of molecular biology. Students learned about the project's objectives, achievements, and impact on our understanding of human genetics and disease.

Students gained hands-on experience with DNA extraction techniques, allowing them to understand the process and visualize DNA.

Discussions were held on emerging trends and applications in Molecular Biology, such as gene editing, personalized medicine, and synthetic biology. Students got inspired to pursue careers in molecular biology and genetics.

We, the Editorial Team, would like to express our heartfelt gratitude for the wonderful opportunity to be a part of this newsletter. The experience of compiling this newsletter has been enriching, enabling us to learn, collaborate, and grow. We sincerely thank our teachers and mentors for their constant guidance and encouragement, which made this endeavour possible.
